The following are questions submitted by prospective bidders for the Interior Clean-Out and Possible Asbestos Flooring Abatement at 64 East Main Street Project:

1. **Question:** Do you have any drawings of the space you can provide?

   Response: No

2. **Question:** The bid docs state that the building flooring contains asbestos-containing material exceeding 1%. Is the mastic/glue greater than 1% or is only the floor tile greater than 1%?

   Response: The following link contains the Facility's Conditions Report prepared by Remington & Vernick Engineers with environmental conditions and testing results:
